

GREEN TIPS FOR VISITING THE DESTINATION KANAL OB SOČI

By joining the Green Scheme of Slovenian Tourism, the municipality of Kanal ob Soči has committed itself to promoting sustainable actions, combining sustainable efforts and promoting local character and green tourism stories. As part of this national program, we obtained the Slovenia Green label.

With the green tips below, we invite you to help us keep our destination green.

PRESERVE THE NATURE AND LANDSCAPE

- Hikers and cyclists, stick to the marked footpaths, so you will contribute to the preservation of the environment and biodiversity and get to know our places in the most beautiful way.
- Use well-maintained bathing areas.
- Do not disturb animals in the wild with excessive noise.
- Travel green and preserve nature and landscape.

PROTECT THE ENVIRONMENT AND CLIMATE

- Make sure you separate your waste and deposit it in designated places.
- When hiking make sure to take your trash back to the valley.
- The water in our area is clean and suitable for drinking. You can fill your bottle with clean drinking water at many water points.
- Be economical with your water consumption for hygiene purposes. Take a short shower instead a bath and turn the tap off when you brush your teeth.
- Contribute to energy saving by reusing bath towels and bed linen.
- Choose environmentally friendly soaps, cosmetics and other hygiene products that do not pollute nature or its fragile ecosystems.
- Let the environment and nature pick up their signals. Whenever possible, unplug all electronic and other devices.

RESPECT THE CULTURE AND TRADITION

- Buy local products and support local producers.
- Discover our rich cultural heritage and contribute to the preservation of our culture and arts.
- Visit traditional events, such as Bridge jumps, festival Kogoj's Days of Culture, the march On Valentin Stanič steps, Chestnut festival in Lig, Donkey races, Days of Culture below Globočak.

THANK YOU FOR WALKING THE GREEN PATH WITH US.

Share your positive experiences with your friends and help us spread the green idea.
